INTERNSHIP COMPLETION LETTER

To Whom It May Concern,

This is to certify that **Medhansh Kapoor** has successfully completed a **one-month internship** at **Geminid Systems**, commencing on **May 18, 2026** and concluding on **June 18, 2026**. During this period, Medhansh served in the role of **AI Tools, Prompts and Evaluation Intern**.

Throughout the internship, Medhansh demonstrated good technical aptitude across a wide range of AI and Salesforce-related projects. His key contributions included:

- **Salesforce Platform Exploration:** Completed Trailhead modules including Apex development, CLI basics, Einstein AI, Prompt Builder, and Agentforce. Developed Apex REST web services, SOAP callout integrations, and conducted prompt engineering experiments using Salesforce CRM data.
- **AI & LLM Evaluation:** Conducted comprehensive Text-to-SQL benchmarking using local LLM frameworks including Vanna.ai, LlamaIndex, and LangChain on the Chinook database (SQLite and PostgreSQL). Evaluated model accuracy, multi-table reasoning, and query generation performance.
- **Audio Analytics & Librosa:** Explored and evaluated Python audio processing libraries including Librosa, PyDub, and Torchaudio. Developed comprehensive analysis scripts, generated HTML benchmark reports, and contributed to the voice-analytics GitLab repository.

We wish Medhansh the very best in his academic pursuits and future career endeavors
